

In the Garden

Discussion Questions

- For what might the garden be a metaphor?
 - Come up with a short list.
- Pick one of the metaphors from your list and think about the following questions with today's readings in mind:
 - What should be done with the garden?
 - What do I need to know about the internal environment to help me make choices?
 - What do I need to know about the internal environment to help me make choices?
 - What might I add to the metaphorical soil or air?
 - What are some of the problems in deciding this?
 - Is there an optimal mix?
 - Is the hedge necessary? How does it help or harm the Garden?
